

Why Choose Hillcrest?

Hillcrest Firethorn excels at post-acute rehabilitation and also offers compassionate long-term care services.

Hillcrest Health Services is recognized nationally for our leadership and innovation. Our identity as a local, privately-owned organization enables us to respond swiftly to the changing needs of those entrusted to our care.

Since 1988, we've grown into a seamless health system with unparalleled expertise in caring for aging adults throughout every stage of life.

We value independence, wellness and choice as we strive to enhance the lives of aging adults.

FINANCIAL ARRANGEMENTS

Hillcrest Firethorn is certified to accept Medicare for rehabilitative services. Typically, Medicare Part A fully covers the first 20 days with us following a qualifying three-night hospital stay and then a copay is charged for the next 80 days, if needed.

We also accept most private insurance and worker's compensation insurance for post-acute services, and many do not require a three-night hospital stay.

For long-term care residents, we accept long-term care insurance, private pay and Medicaid (on a limited basis).

8601 Firethorn Lane, Lincoln, NE 68520

Post-Acute Rehabilitation
and Long-term Care

Our Focus ... Your Lifestyle.

LOVE THE LIFESTYLE WHILE YOU RECOVER

At Hillcrest Firethorn, we strive to provide a comfortable environment to suit the needs of our guests who are recovering from an illness, injury or hospital stay. Our post-acute rehab center can serve 72 guests in two separate neighborhoods, each offering 36 upscale private rooms.

While our team is always focused on rehabilitation and therapy to make our guests well, we also truly value their independence. With fun gathering spaces for guests and their families, they can stay thoroughly entertained between therapy sessions if desired. Our calendar of events is full of activities to keep guests engaged and support their recovery efforts.

Our culinary services are top-of-the-line, with an executive chef focused on hospitality that rivals a vacation resort. Our culinary team prepares made-to-order specialties that are unmatched in the health care setting. Guests can enjoy social interaction in our attractive restaurant or choose the comfort of in-room dining while recovering. The Firethorn Bistro, proudly serving Starbucks® coffee and drinks, offers grab-and-go options or a casual environment to visit with family members.

INNOVATIVE THERAPY

With 25+ years of experience in post-acute rehabilitation, we understand what it takes to help guests get back to their optimal level of function.

We have our own in-house team of therapists, not a contracted third-party therapy company, to provide guests with consistent and reliable care throughout their stay.

With state-of-the-art therapy equipment, we provide innovative physical, occupational and speech therapy to help speed up recovery.

Our entire team is focused on each guest's recovery so they can return to their optimal level of function after transitioning to home or a lower level of care. Guests stay with us for an average of 14 to 22 days based on their physician-directed care plan.

Hillcrest Firethorn also provides 13 specialty rooms with piped-in oxygen for guests with cardiopulmonary diseases.

REHABILITATION CONTINUUM

Recovery doesn't stop when guests leave Hillcrest Firethorn. We know guests will need support as they transition back to the community. We'll assist in seamlessly transitioning guests to other levels of care that may be needed, including Hillcrest Home Care.

For those who don't require home health services, they may choose to return to Hillcrest Firethorn for outpatient therapy three days per week or as prescribed by their physician.

No matter which Hillcrest service you choose, you're ensured continuity of care thanks to one shared system for electronic health records.

LONG-TERM CARE

We are also accepting long-term care residents who require 24-hour services. These residents can enjoy all of the amenities of Hillcrest Firethorn from the private rooms and bathrooms with showers, to the made-to-order culinary program, to the full calendar of activities and outings.

Schedule a visit to Hillcrest Firethorn and see the difference in our post-acute and long-term care services.
