A monthly newsletter for the Cottages
at Hillcrest Country Estates

Ashley's Notes

Hello everyone! Happy June, and welcome to summer. Our Hillcrest family is growing, and we have had a few people join our team in the last month.

I want to let everyone know that Dana Dober will be our Director of Clinical Services for Hillcrest Country Estates

Cottages. She has been our Clinical Care Coordinator for about six months. We are so excited to see her in this new role and can't wait to see the benefits she brings to our clinical team. If you have any clinical questions, please call Dana at (402) 885-7280. We have also welcomed John Severson as our Director of Environmental Services. John is very hands-on and brings a wealth of knowledge to our campus. We are very happy to welcome him to the Hillcrest family.

Please remember that masks are still required when visiting your loved one. I know that the Centers for Disease Control and Prevention has released new guidelines recently, but as a health care community, we have to follow guidelines from the Centers for Medicare and Medicaid Services. Also, we still need the agreement completed each time a visit happens. If you would like any more information, please reach out to me at (402) 885-7010. We are so glad that there are fewer restrictions, and we look forward to a time when unlimited visits with your loved one become possible.

ELDERS IN ACTION

June is going to be filled with fun holidays and tasty treats! We will be honoring all of the fathers at Hillcrest Country Estates Cottages on Father's Day and all of our nursing assistants on National Nursing Assistant Day. We will be satisfying our sweet tooth on National Donut Day and on National

Peanut Butter Cookie Day. I'm most excited about National Smile Power Day. It often only takes a smile to brighten someone's day, and I love seeing the smiles on our elders' faces! Finally, we will be celebrating International Mud Day by spending time working in our gardens!

Allie and Marian work on May Day baskets.

Janet eats special Harry Potter themed jelly beans.

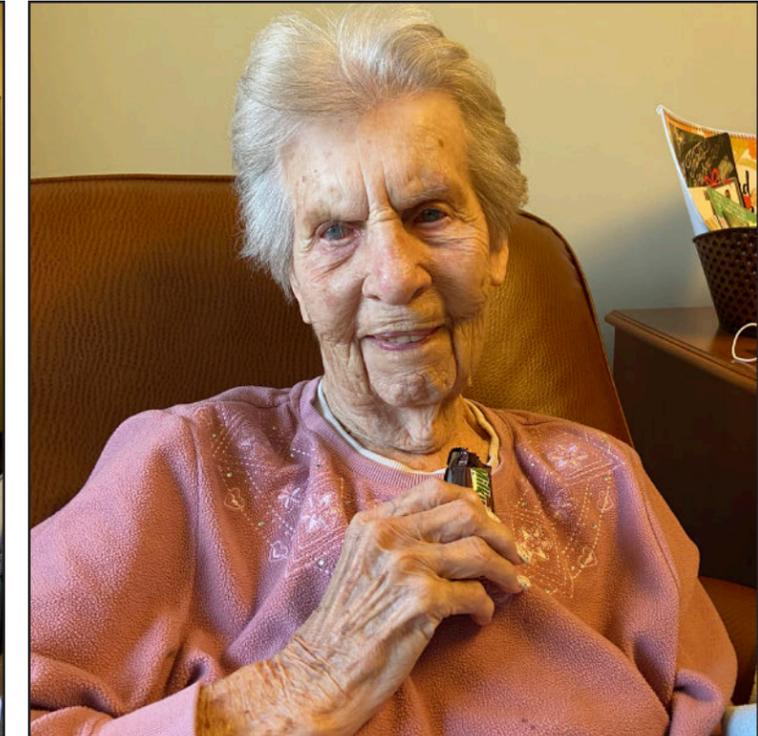

A MONTH IN REVIEW

May Day was great! It provided activities, celebrations and sweets. All of our elders appreciated receiving their baskets, which were made by Cottage 40. The elders in Cottage 40 enjoyed making the

baskets and sampling the supplies that went into them! Any event that can provide activities and some sweets is always a winner around here! It was a great month for everyone.

Jeanette shows off her May Day treat.

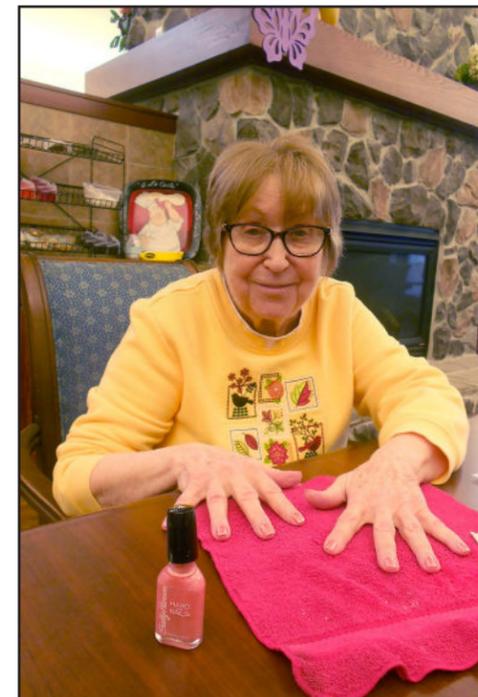

Norma enjoys her May Day treats.

Marvin gets a snack for May Day.

Bill practices his putting.

Kathy gets her nails painted pink.

Janice and Allie take in the sunshine.
