A monthly newsletter for the Cottages at Hillcrest Country Estates

Ashley's Notes

Greetings, family and friends! Spring is in full bloom here at Hillcrest Country Estates Cottages. The nice weather has been good for our elders and team members, as they have taken the opportunity to get some fresh air. I'm very excited to let you all know that we are starting up

our Cottage Caregiver Chats again. This month's event will be held on May 18 from 5:30–6:30 p.m. in the Administration Building at 6082 Grand Lodge Ave. Dr. Anna Fisher, Director of Education & Quality, and Allie Hobson, Dimensions Coordinator, will be available to answer any questions you have about the dementia journey your loved one may be going through. This will be an open answer and discussion event. We will have light refreshments. This event will be socially distanced and masks will be required.

If you have any questions about this event, please reach out to me at awalters@hillcresthealth.com or Allie at ahobson@hillcresthealth.com

As we continue to work our way through the pandemic, please continue to wash your hands and/or use sanitizer. We're so happy to be allowing visitors back at The Cottages. Remember, if you are not feeling well, please reschedule your visit or wait to attend events. Taking these small steps ensure we're staying safe and healthy! Happy May, everyone!

ELDERS IN ACTION

May is a busy month! Our elders are looking forward to creating pretty baskets for May Day. Cinco de Mayo comes soon after, and we are looking forward to some chips and salsa, which is one of our favorite snacks. Our elders love to help find theme days for the month, and anything to do with snacks and treats is usually a hit. Our elders are also looking forward

to celebrating Mother's Day. Then, on May 21 we are having a pizza party on National Pizza Day, which should be fun for everyone! Finally, the end of May brings us Memorial Day on May 31. Hopefully we will see some more beautiful days, and our elders will be able to get outside and enjoy the fresh air.

A MONTH IN REVIEW

The Easter Bunny was a huge hit at The Cottages this year! Everyone was excited to see him and visit with him, not to mention the candy! Our elders love their sweets!

Our fabulous Easter Bunny made visits to each cottage and even visited the Administration Building!

Elders really enjoyed making crafts and eating Easter dinner. Several received visits from family members on Easter as well. The whole holiday and the beautiful weather really brightened our spirits!
