ARE YOU ON THE LIST?

Each month, we distribute the newsletter via email. If you'd like to be included on the newsletter distribution list, get us your email address, and we'll keep you posted!

Erin's Notes

Hello, and welcome to spring! It's been so great to have visitors back in the building. The demeanor of our residents has changed drastically and we thank all of you for showing your love. As a reminder, as we continue to move forward with visitations a lot of the visitation policies and guidelines

are contingent on the COVID-19 positivity rate of Sarpy County. We will update you as visitation policies change and progress. We ask for your flexibility and patience as we know things can sometimes change overnight.

As we move into spring, we are looking forward to spring activities. Our lifestyle and recreation teams have some outings planned and more time out on the patio to enjoy the sunshine. It will be great to get our residents out of the building in a COVID-19 safe manner. As always, we welcome your suggestions and feedback at anytime. Please let us know if there's anything we can do to make the lives of your loved ones better!

—Erin Edwards, Director of Health Services

A MONTH IN REVIEW

In March, we got to celebrate St. Patrick's Day! Even though it wasn't the same party as we used to have, we have gotten quite good at adapting. All of the residents helped to make everything festive with their decorations and happy moods. We had a nice corned

beef and cabbage lunch with delicious green cupcakes. Although we had to party socially distanced from each other, we still enjoyed the celebration!

– **Michael Pollock, Director of Lifestyle & Wellness**

Verneel finishes a puzzle.

George works out in the gym.

Edie shows off her clover.

I can't believe it's April already! Time sure does fly. This past month we have enjoyed getting back into the gym and pool and appreciated the chance to be more active. Now with the nice weather we are looking forward to getting outside more in the coming months and staying active. We have some scenic bus rides

planned and some outdoor walks, time on the patio and more! Look in our monthly calendars to see the specific events and activities we have planned for each day. We look forward to celebrating all that spring has to offer!
