Michael's Memo

Wow! How is it already 2021? The New Year is an exciting time of hope and renewed vigor for life. I think all of us are ready to be done with 2020 and move on to 2021. We hope and pray that as the New Year moves forward we can start to enjoy more social activities and get back to doing

the things we love and being with those we love! Also, here at Hillcrest Country Estates Grand Lodge, we are very excited to welcome Erin Edwards as our new Director of Health Services. Erin has been with us for about a year now as our Nurse Manager and we want to congratulate her on her promotion. The Grand Lodge is in very good hands and we are excited to take our services to the next level under Erin's leadership. If you need anything at all Erin's door is always open. Feel free to email her at eedwards@hillcresthealth.com. Happy New Year!

Happy
New Year!

A MONTH IN REVIEW

Our "12 Days of Grand Lodge Christmas" event was a huge success! Residents loved all of the fun activities, including making ornaments to hang around the households and bring the holiday spirit to

life! Everyone had an excellent time doing it and the Grand Lodge has never looked so festive. Below are a few samples of the finished products.

RESIDENTS IN ACTION

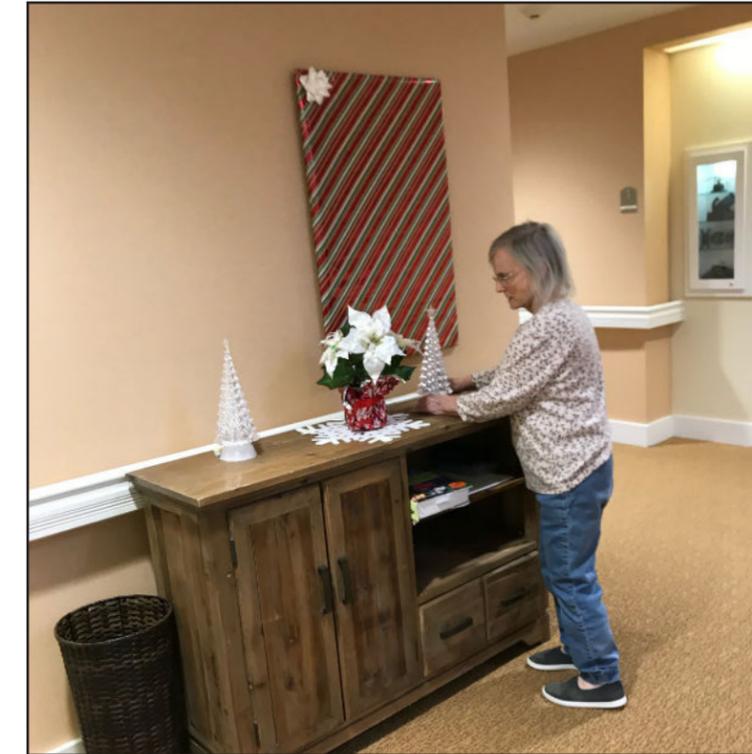

The Grand Lodge will not let the COVID-19 restrictions keep us down! Even despite the challenges and extra safety precautions we are still doing

everything we can to keep our wonderful residents happy healthy and active!
