Erin's Notes

We have some exciting changes coming to Hillcrest Country Estates Grand Lodge this month! In the middle of May we will welcome Laura Mayer as our new Dimensions™ Coordinator. Laura is currently the Dementia Care Specialist for all Hillcrest Communities. She will start

working full time here at the Grand Lodge as our in-house dementia expert. She will oversee recreation and activities, as well as work in tandem with our nursing team to offer the best dementia care possible to our residents. She brings a wealth of knowledge and experience working with dementia residents, and we are so excited for what she will bring.

Beth Karstens will then transition to working more closely with our Oxford Assisted Living residents but will still be a part of memory support activities when possible. We really feel this restructuring will be beneficial to the Grand Lodge, and we are excited for the future. We encourage you to reach out and introduce yourself to Laura and ask her any questions you may have. She can be reached at lmayer@hillcresthealth.com.

A MONTH IN REVIEW

It's so great to gather back together for live music! Although we aren't having outside entertainers yet, we are happy to entertain you all with our own musical abilities. I had the honor of playing a Caribbean steel drum concert for our memory support

residents in April. Everyone seemed to enjoy this relaxing tropical music. I hope it got everyone in the mood for summer fun!

Peggy, Shirley and Patti play a fun card game.

Wanda, Susan, Sue and Edie compete in a game of cards.

RESIDENTS IN ACTION

May is National Travel Month, so we will be bringing international travel to the Grand Lodge! Each week you will see a different country's theme on the calendar. Throughout that week we will have both scheduled and spontaneous activities that celebrate

each country, as well as one meal a week from Chef Darren that allows us all to sample the culinary delights of each destination!
