### Michael's Memo

Happy November, everyone! At Hillcrest Country Estates Grand Lodge we are looking forward to celebrating Thanksgiving. Some of us have even started hanging up decorations in preparation for the feast! One thing that won't be different this year is the wonderful

food we'll be enjoying on Thanksgiving.

Despite the strange circumstances we find ourselves in this holiday season, we are still excited to celebrate and take a moment to appreciate everything we have to be thankful for. There is no better time than during a pandemic to really take a look around and take stock of all the things in life that we cherish. I, for one, am grateful for the team members and residents that I get to work with every day. Even though we've all been going through some challenges, the residents have taught me how to live life to the fullest regardless of circumstances, and that is one life lesson I will never forget.

I am also thankful for the amazing families of our residents, who have shown such great support and have been patient with us as we continuously adapt to keep our residents safe and healthy. Your encouragement has meant so much to us here at the Grand Lodge. We consider every one of you to be part of the Hillcrest family. I hope you all have a wonderful Thanksgiving!
