ARE YOU ON THE LIST?

Each month, we distribute the newsletter via email. If you'd like to be included on the newsletter distribution list, get us your email address, and we'll keep you posted!

Tammy's Take

Our Team Member Spotlight of the Month is Koumbe Boube, a nurse at Hillcrest Health & Rehab. She has been providing amazing support to our long-term care residents since she joined the Hillcrest family four years ago. Koumbe was born in Africa and moved to Nebraska in 2004. She

has worked as a nurse for 12 years. Koumbe explained why she enjoys working with our long-term care residents. She loves her residents and getting to know each of them in a way that makes them feel good about being here.

Koumbe has four children and enjoys reading books and watching a variety of TV shows. We are so pleased to have Koumbe here with us at Hillcrest Health & Rehab.

We appreciate your continued diligence and patience regarding the COVID-19 pandemic. The team continues to put the safety of you and your loved ones first and foremost. We expect to receive the second round of vaccines during the first week of February. The Centers for Disease Control and Prevention is continuously monitoring the situation and updating the visitation guidelines. As soon as we know more about how the vaccine may affect our ability to have visitors in the building we will let you know!

— Tammy Weston, Administrator

RESIDENTS IN ACTION

The Recreation Team continues to look forward with excitement for the future. Our hope is to have more socially involved activities as more residents and team members get their vaccines. Time will tell how these activities will look. In

February the Recreation Team is planning to celebrate Valentine's Day, Black History Month, Groundhog Day and other holidays with crafts, reminiscing, trivia and snacks!

-Mary Johnson, Director of Recreation

Nancy works on a Valentine's Day craft.

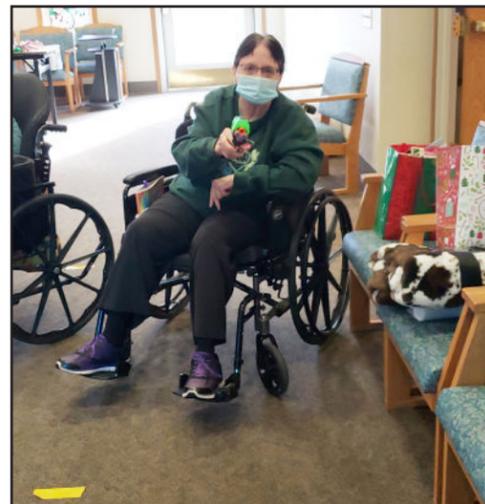

Eldon makes decorations for Valentine's Day.

Valentine's Day decorations cover the walls and windows throughout Hillcrest Health & Rehab.

Delores, Eldon and Doris play a game with Allie in Magnolia.

Jan plays a fun shooting game during game time.

Jackie S. shows off the special winter craft she made to hang in her room.

A MONTH IN REVIEW

New Year's Day was so much fun! Everyone at Hillcrest Health & Rehab is looking forward to 2021 with hope for what is to come. The year 2020 was definitely interesting. I think that despite a lot of new challenges, we made some great memories

with the residents and team members here. We celebrated New Year's with confetti, music, games and snacks. It was great to see everyone having a great time.

-Mary Johnson, Director of Recreation

Leona smiles on New Year's Day.

Delores rings in the New Year.

Flo celebrates the New Year.
