Tammy's Take

July is going to be a great month here at Hillcrest Health & Rehab! Everyone here has been enjoying the warm weather and sunshine that comes with the summer months. In July, we are especially looking forward to Independence Day, which we will celebrate with lots of good food, games,

decorations and fireworks! Later on in the month we will be having our own personal Olympic games. We can get pretty competitive here at Hillcrest Health & Rehab, so I'm sure that residents and team members alike will join in on the fun and cheer each other on. I know I will! Our Olympic games will go for two whole weeks and will include pre-games, a torch run, a variety of events and even a closing ceremony. It's going to be a great event!

Thank you again to everyone for your patience and understanding during the pandemic. We are slowly reopening as the number of positive cases in Sarpy County decline. Please call (402) 291-8500 to find out the latest updates on visitation and safety guidelines. Have a great summer, everyone!

— Tammy Weston, Administrator

**HAPPY
4TH OF JULY!**

RESIDENTS IN ACTION

In July the recreation team will be hosting an evening of fireworks and fun for the Fourth of July and a week of games for the annual Hillcrest Health & Rehab Olympics. Along with fireworks

and games, the recreation team is also looking forward to loading residents back on the bus for outings. It will be a great month!

A MONTH IN REVIEW

June brought our VolunTEENs back to join our recreation team for the summer, and residents are enjoying the teens being around. The recreation team held a family event, which was the first big event since the start of this pandemic. Residents

really enjoyed spending time with their loved ones. The month ended with an evening concert by the Livin' Easy band. It was a great time for everyone!
