Tammy's Take

Happy June, everyone! Summer is officially here and I know that everyone at Hillcrest Health & Rehab is looking forward to spending more time in the sunshine and warm weather. It has been so good to see the smiles on our residents' faces as we've started having more volunteers come do

activities with us, as safety guidelines allow. My team and I so appreciate your patience and understanding as we've navigated through this pandemic together. If you would like to schedule a visit with your loved one, please call our front desk at (402) 291-8500 to learn the latest updates on our visitation guidelines.

I am especially looking forward to celebrating Father's Day this month. We are so excited to take time to appreciate the men in our community. It is an honor to care for them every day.

RESIDENTS IN ACTION

It's June, which means that summer is here! To kick off the season, the recreation team will be having an evening concert on Monday, June 21. We are calling it our own "Jazz on the Green," and the band Livin' Easy will be performing for us. We are so excited to enjoy the music!

Even though we had to postpone our family event, we are looking forward to seeing you all on the new date of Saturday, June 12! We are expecting beautiful weather for this event, so it will be a lovely time for everyone.

The tree art our residents worked on brings a splash of color to our decor.

A MONTH IN REVIEW

Spring brought back all of the beautiful flowers including irises, tulips and lilacs. In a similar fashion, the recreation team is gradually bringing back volunteers, entertainers, pet therapy and church groups. We are so happy that Scatter

Clare pets a kitten from Scatter Joy Acres.

Leona hangs out with a kitten.

A cute kitten visits with Jean.

Marie cuddles with a kitten.

Joy Acres, Merrymakers and our volunteers are once again coming to Hillcrest Health & Rehab. Their happy faces really brighten up our building and lift our spirits.
