Nicole's News

Every day we continue to get closer to our normal lifestyle at Hillcrest Mable Rose! We have reintroduced volunteers to our lifestyle programs to increase the number and variety in recreational opportunities for residents. We continue to offer bus rides, daily bingo, art classes, crafting, fitness groups, games and trivia. The weather also allowed us to start our gardening and planting, and our courtyard is looking lovely.

May was filled with holidays and events including Mother's Day, May Day, The Kentucky Derby, National Dance Like a Chicken Day and an Around the World Day. The Around the World Day was especially fun. Team members honored different countries and shared with residents each country's culture, food, decorations and music.

In June, we are excited to celebrate our dads on Father's Day. We will also be having the Mable Rose Olympics which will be a lot of fun for everyone. We are delighted to have new nurse leaders join the team! Jessica Weis, the Director of Health Services, and Kai'Lana Evans, the Assistant Director of Health Services, are now part of the Hillcrest Mable Rose family. We hope to have you meet them soon.

Thank you for your continued support and diligence in keeping Mable Rose, our residents and our team healthy and safe so that we can continue to progress toward fewer restrictions and more connections!

A MONTH IN REVIEW

Residents celebrated Cinco de Mayo with walking tacos, trivia, jokes, festive music and tres leches cake for dessert. A Mother's Day tea party was hosted for residents to enjoy. The event included a "mom-osa" happy hour, a photo shoot, tea, snacks, gifts, and there was lots of

reminiscing about motherhood. We hope everyone had a Happy Cinco de Mayo and Mother's Day!

Residents have been busy creating masterpieces to display in their apartments. They made paper afghan sun catchers for their windows and designed paper lanterns.

Resident Spotlight

The Resident Spotlight of the Month is Dot! Her favorite pastime is crocheting. She has crocheted many themed holiday afghans. She considers her greatest success in her life to be marrying the love of her life, Robert. Dot's advice for everyone is to not take tomorrow for granted. Thank you, Dot, for being a wonderful member of our community!
