The Shadow Lake Letter

A monthly newsletter for Hillcrest Shadow Lake residents

RESIDENTS IN ACTION

This month we will be decorating for and celebrating the holidays. We have several Christmas trees to set up and decorate, in addition to other décor we will be putting up. It will look beautiful with the new building renovations. There will be several entertainers coming in and performing for us. We will have Joyce with The Merrymakers Association, Aaron Shoemaker, Richard Hunt and Craig Florian as Elvis. We will also be doing holiday baking and crafts this month. If you would like additional calendars, please let me know and I can email you a copy of the calendar.

Kevin's Column

Hello all! I hope you are enjoying the newly remodeled dining room. There are now more private spaces for you to enjoy quiet conversation with family. The front entrance has been completed and the parking lot is open for family, friends and visitors. We are down to one last

phase, which we hope to have completed by early-to-mid January. Next spring we hope that you will all enjoy the renovated outdoor spaces along with all the new spaces available inside the building.

I also wanted to let you all know starting January 1, 2020, all chargers for electronic devices will need to be double insulated. If the charger has the symbol of a smaller square inside a larger square, it is double insulated. If you have any questions, please talk to Vanessa or Christopher.

Please remember the importance of hand washing. Proper hand washing is the best way to prevent the spread of illness. If you are not feeling well, please wait to visit your loved one. The visit will be more enjoyable when everyone is feeling his or her best.
