## DISCOVER A BETTER WAY OF LIFE

Quietly nestled in Gretna, our residents can enjoy a small town atmosphere that's just minutes from Omaha. We aim to provide aging adults with an environment in which they can enjoy their retirement, enhance their lifestyle, live with dignity and remain as independent as possible.

With 81 spacious assisted living apartments, some more than 1,000 square feet, we provide a variety of floor plans to suit everyone's needs. Along with our luxurious apartments, we offer a beautifully landscaped courtyard and other attractive amenities.

Community amenities include:

- Coffee Shop
- Chapel
- Library
- Beauty/Barber Shop
- Party Rooms and Private Dining
- Grand Dining Room
- Game Room
- Senior Gym
- Whirlpool Bath
- Laundry Facilities

## ASSISTED LIVING

At Silver Ridge, we value privacy, independence and compassionate care. Our residents can enjoy:

- Private apartments with kitchenettes including a refrigerator, microwave and stainless steel sink
- Three meals a day served restaurant style
- Transportation to scheduled appointments and shopping
- Weekly apartment cleaning and laundry services
- 24-hour certified care team
- Medication assistance
- Health monitoring and emergency services
- Programming for social, cultural and recreational events
- Six care levels to meet individualized needs

## MEMORY SUPPORT ASSISTANCE

At Silver Ridge, we understand the strength, patience, creativity and time required to take care of a loved one with Alzheimer's or dementia. We take an individualized approach to care and we believe each resident has a story, interests and personal history. These preferences and interests will help our team develop an individualized service plan that meets not only the personal care assistance needs, but also the social interaction and daily routines of each resident.

In two secure cottages, designed for 14 residents each, your loved one will have the amenities of home with benefits available only in larger communities:

- Private apartments with personal display areas and bay windows
- Personalized emergency alert system including motion detectors, bed sensors and other monitoring devices programmed individually for each resident
- Warm and inviting living room and fireplace
- 24-hour certified care team with specialized memory support training
- Medication management
- Daily structured and spontaneous activities and entertainment
- Scheduled transportation
- Family support groups
